The Managing Director,  
Eco Bank SL LTD.

Dear Sir/Madam ,

Re: Enclosed Asset Management System Proposal

At Byte LTD, we are aware that creating a client-oriented software takes a mixture of technical excellence and clear communication and our company hires the best to ensure you receive both. We know that every client is unique and we strive to deliver an individual, innovative and affordable proposal every time and to follow it through with an outstanding delivery is both on time and within budget.

Our developers have over 4 years of Software Development and ICT Consulting experience. We specialize in developing bespoke software solutions relating to

- Human Resource Management
- Payroll Management
- Asset Management
- Fleet Management
- Accounts Software
- Customer Relationship Management Software
- MRP Software
- Logistics Software

And many more. We also have a vast knowledge in the field of data science, data analytic and data management i.e. getting business insight from data to improve business productivity. We have provided solutions for both the private and public sector and our previous clients include

- Security agencies.
- Entertainment Industry
- Hotel and Tourism Industry
- Higher and Tertiary Educational Institution
- Telecommunication companies
- NGOs

We also pride ourselves with our after sales client care including guarantees, staff-training, on-site and off-site support.

Finally we realize that you are very busy and want to thank you in advance for your time spent in reviewing our proposal;

Yours Truly,

Byte Limited
